**&**  
**JORDANS MILL.**

**ON**  
**WEDNESDAY 29TH APRIL 2020.**

**The Military Intelligence Museum.** The Museum is based on a Military site alongside the headquarters of both the Defence College of Intelligence and the British Army Intelligence Corps. You will see & hear of the History of the Intelligence Services from the Boer War to the Cold War. This site 'Chick sands' was the site of the RAF in WW2 – it was one of the “Y Stations” which intercepted signals to the Government Code & Cypher School at Bletchley Park.

We will have a guided tour of the Museum in two groups + free time to have a closer look at the displays/ artefacts.

We will leave the Museum @ 12.30pm to go onto our next visit:- Jordan's Mill for lunch + Mill Tour.

**Jordan's Mill. A Food Heritage Attraction situated on the Banks of the River Ivel in Biggleswade.**

At Jordan's Mill, we will take a step back in time in the historic flour Mill, home to the Jordan family for over 150 years, and see how flour was once produced here. Lovingly restored having stopped milling in 2000, the 19<sup>th</sup> Century Mill has been recreated to show the working part of the Mill on one side and the contemporary displays on the other side.

On arrival we will have a Jacket Potato lunch in the Riverside Café then we will commence a tour of the Mill in two groups at 2.30pm. The tour will be around an hour, so there will be time to visit the shop & gardens, before we depart at 4.15pm.
